WORK EXPERIENCE

Ocean Pearl Solutions

Edina, MN

Data Analytics Intern

Jan 2024 - present

Collaborated on developing and implementing a comprehensive student success system for a charter school, focusing on enhancing data-driven decision-making. Responsibilities included participating in stakeholder meetings, documenting requirements, analyzing existing processes, and contributing to system design. Key contributions involved improving data management efficiency, proposing solutions for enhanced accuracy, and conceptualizing integrated performance-tracking dashboards and reports.

- Reduced report generation time from 8 hours to 30 minutes
- Improved data accuracy by 95%

Bio-Techne

Minneapolis, MN

Inside Sales Representative – Cell Culture Sera Products

Jul 2022 – Jul 2023

Drove sales of cell culture sera products in the mountain states. Utilized various prospecting channels to find and qualify leads, built strong customer relationships, and closed deals. Collaborated with the team to maximize territory impact and deliver superior customer service. Leveraged Salesforce to track return on investment (ROI), key performance indicators (KPIs), and other metrics.

- Increased sales revenue by 17% in Q3 and Q4, exceeding targets
- Recognized for developing innovative marketing methods that enhanced customer interactions

LEADERSHIP

President of Muslim Student Association at University of St. Thomas

Sept 2020 – May 2022

Arranged events, communicated with leaders on campus and in the community, managing other board members with meeting deadlines, and facilitated opportunities for Muslims students on campus to feel welcome.
